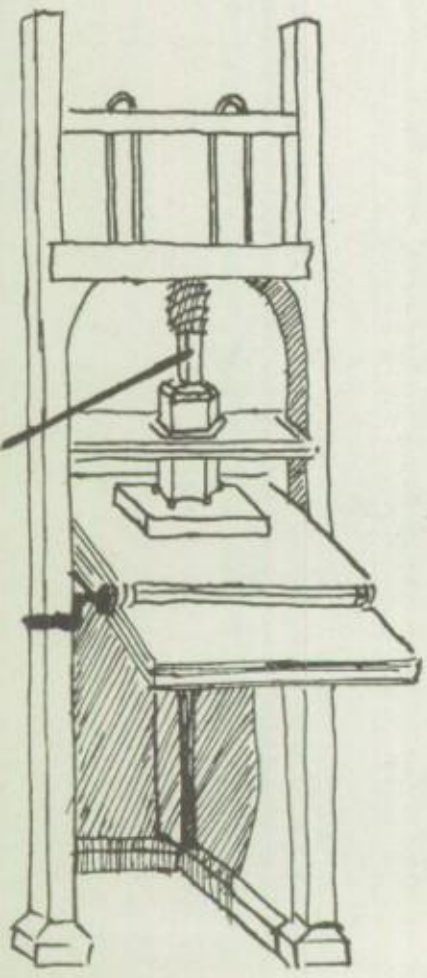
*We the students of Franklin High School humbly dedicate our 1956 Almanac, TO FREEDOM OF THE PRESS . . .*



*with the hope that the world might realize the concern of its youth for the preservation of this precious heritage. As Americans we know, as do no other people anywhere, true liberty of expression because our forefathers cared enough to offer their lives and fortunes to insure its endurance.*

*It is our duty as young people to maintain this liberty for future generations, as it was maintained for us, by honoring, respecting, and using it. May its light glow forever!*

We at Franklin are well aware of the willing contributions of time, patience, and effort which our teachers make each day. This is one school where the faculty is truly composed of "human beings" who are counselors as well as instructors, friends as well as superiors.

As we progress through the years, their immeasurable service to us will become more and more evident in the development of fine character and high personal ambitions.

# OUR PRINCIPAL

## Dr. Erickson

Whose most outstanding quality is a deep and true sincerity, for which we will always remember and love him.

Though he has a full schedule he is never too busy to find time for our problems, however small and unimportant. He has truly been a wonderful counselor and example to us.

# OUR VICE PRINCIPALS

Miss Grant—Whose advice, patience, and understanding have made our years at Franklin so much more meaningful and productive. She has truly been a good friend as well as a wonderful example to us.

Mr. Campbell—Whose strength of character has proved an inspiration to all of us. We will always remember him with admiration and respect for the spirit of cooperation he has always shown and the helpful advice he has offered to us.

Mrs. Shank—Whose winning personality and diligent work have endeared her to all of us, though she has only been here one year. We wish her many more years of gratifying service at Franklin.

Franklin students play, as do very few student bodies anywhere, a vital part in the government of their school. Their setup of two main governing bodies, the Executive Cabinet and the Student Council, their leadership classes, their election procedure — all are unknown in many schools throughout the nation. Certainly they can be proud of the interest which both teachers and students evince in student government by their participation in school affairs.

Individually and collectively, the classes at Franklin have done all they could to better the school this 1955-56 term. This can be directly attributed to the loyalty and concern for their classes and school which is shown by many individual members in each class. We can truly exhibit a justifiable pride in this achievement.

## Farewell to Franklin

The time has come, dear Franklin,
For us to say adieu.
We now must face the future
With sad farewells to you.

We've worked and played together
Through happy years of youth,
'Aided by thy teachings
Of wisdom, strength, and truth.

But now 'tis time to leave thee
And journey on our way
With hearts a little saddened,
But this we're glad to say:

"That as we travel onward
Our hearts will hold no fear,
For thou hast taught us and we have
Thy inspiration clear."

And when the shadows gather
And years are left behind,
Memories will come crowding,
Regrets may fill the mind.

But there's one golden mem'ry
Dearer than all, we'll find,
Thoughts of our dear Alma Mater,
Franklin High School, mother kind.

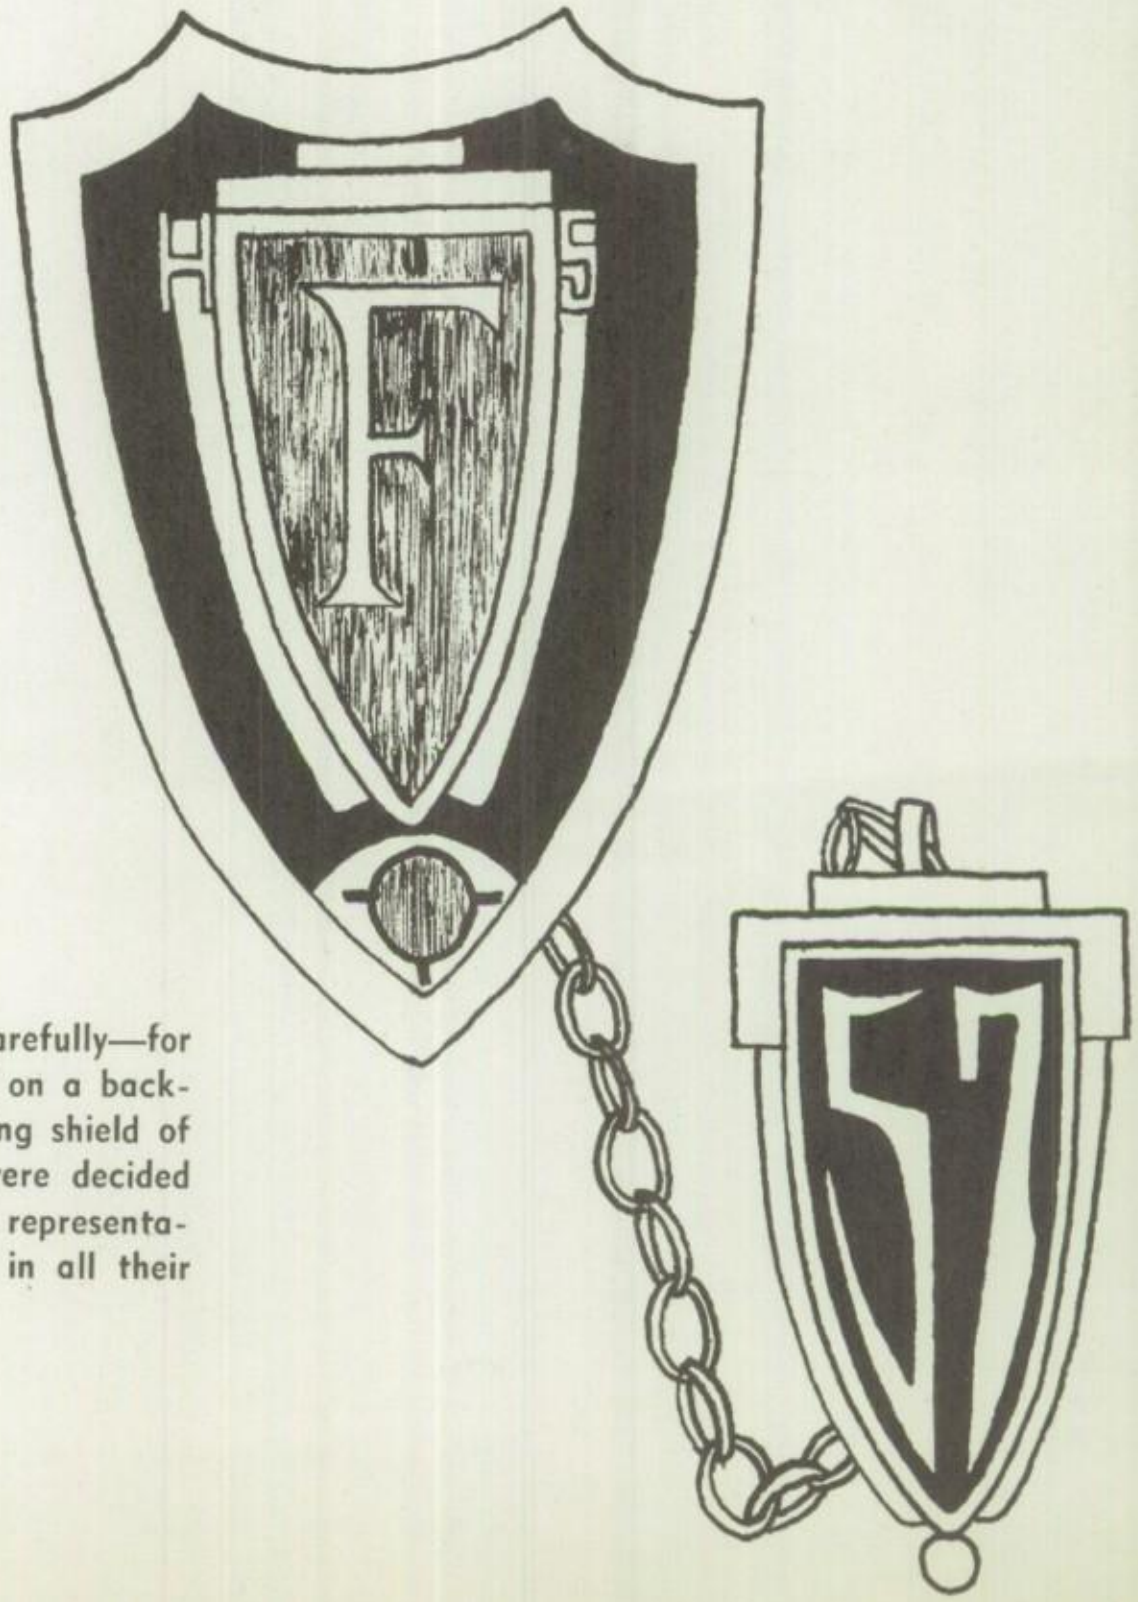
# JUNIOR

# ACTIVITIES

This year's Junior Class has worked hard to make the sale of their class cards and jewelry a success, and now they have reaped the benefits of that labor with an extra-successful Junior Prom, a wonderful Junior Class assembly, and a bursting treasury, ready to finance next year's full slate of activities.

The third-termers chose their designs carefully—for their card, a cardinal-red rose emblazoned on a background of white, and for their pin, a striking shield of black, gold, and white—and once these were decided upon, they set out to sell them to as large a representation of their class as possible. In this, as in all their activities, they more than succeeded.



# SWAMP STOMP

This year's Junior class held a gala all-school dance titled the SWAMP STOMP as one of their major social events.

The junior class prepares to elect a cabinet of competent officers.

The class holds monthly meetings which are always eagerly ticipated as an opportunity for planning and discussing ious activities.

The Junior Class is proud
of its talented entertainers.

The Prom committee pools ideas.

These students seem to be
enjoying themselves at the Junior Prom.

# JUNIOR CLASS COUNSELORS

The class of 1957 owe a gigantic vote of thanks to its advisors, Miss Faye Cornutt and Mr. Carl Kurath, who have displayed unfailing warmth and understanding toward the problems of its members. The knowledge of the junior class counselors in matters parliamentary and vocational has proved indispensable.

Dear Jan,
I don't know if you remember me. Probably not. We've had a few classes together and I've always thought you were very nice. I'm sorry we haven't had more time to get to know each other better. Maybe next year we will. Have a nice summer.

# FRESHMAN ACTIVITIES

The kickoff activity for the class of '59 was their Freshie Frolic, presented annually by the Senior class.

A large group of interested Freshmen turned out this fall for class officers.

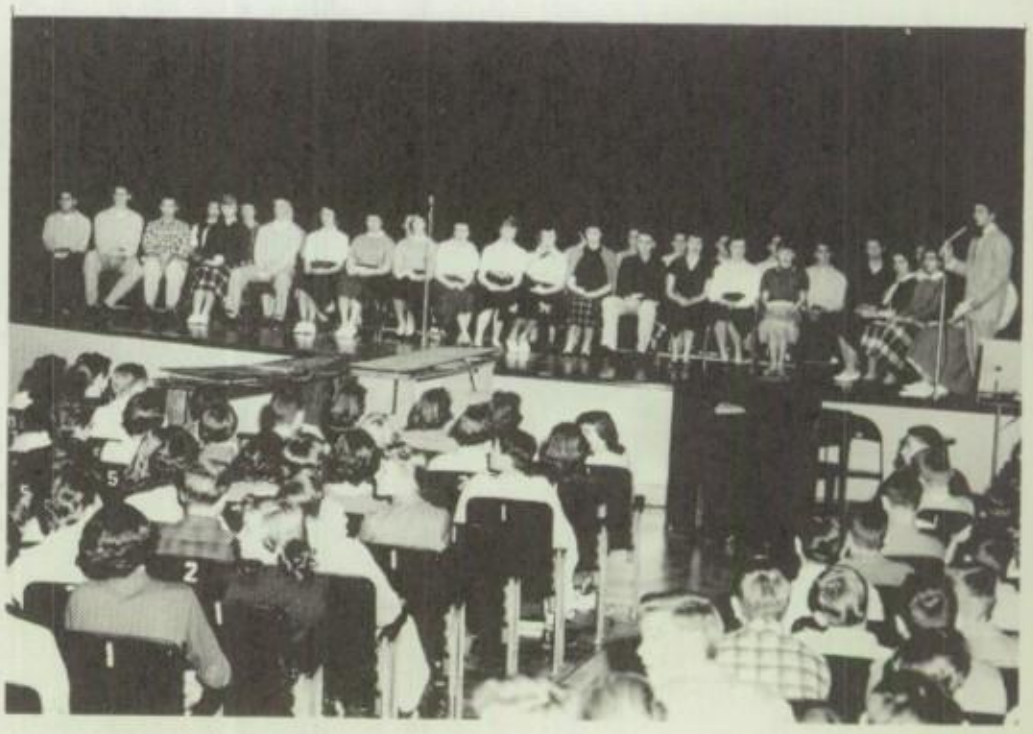
Senior Class President administered the oath of office to the first Freshie Cabinet.

The King and Queen
of the Freshie-Sophomore "Snowdrop Bop."

A whirl of petticoats
at the wonderful Freshie party.

Pat Scott, Liz Frank, and Joe McCray
clown it up at the Freshie Talent Show.

"How to cast my vote" is the problem
of the hour at the mid-year Freshman elections.



# FRESHMAN CLASS COUNSELORS

Mr. James Wolfe and Mrs. Emma Moore have undertaken the job of initiating the new freshman class into the dubious pleasures of high school study. Any person who has ever been a freshman will understand and appreciate the tremendous responsibility of these able advisors.

Without the cooperation of our school's service organizations, it would be impossible to maintain the high standards for which we all strive. Students involved in these service groups willingly contribute of their time and talents, and although we sometimes fail in showing our appreciation, they earn the satisfaction to be derived from worthwhile accomplishments.

Franklin's club program has long been designed to include all students interested in club participation. With approximately thirty five clubs of four types—social, service, interest, and honorary—it is possible for every student to belong to an organization which will fit his particular interests and abilities and provide an outlet for his time and energy. By conducting a well-rounded program of activities and service to the community, the clubs of Franklin have more than justified their existence.

AMELIA RASK

Social clubs are maintained primarily for the purpose of having fun, but members of these organizations contribute more to the school than the name implies. The developing of fine personal qualities—such as leadership, cooperation, friendliness, and loyalty—as well as service to the home, the school, and the community are benefits appreciated and enjoyed by all.

A complete athletic program makes an outstanding contribution to the life of any school by providing both mental and physical training for its participants, entertainment for its spectators, and a spearhead for a contagious school spirit. This year Franklin was blessed with a particularly successful aggregation of teams, leading school spirit and pride to a new pitch.

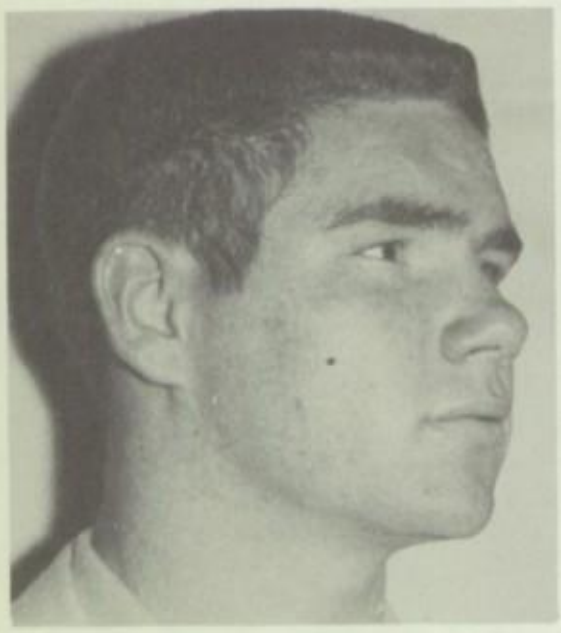
# ALL STARS

One of the top wrestlers in the city is Ross Hewitt. All through the season Ross chalked important victories and in the city meet climaxed a successful year by taking top honors.

Franklin tackle, Ron Maes, just barely missed being placed on the first string all-city team, but was placed on the second team.



Pictured above is senior, Doug Daniels, who through his uncanny, flawless play, captured a first string spot on the 1955 all-city football team.

Powerful fullback, Bob McGill, received the most votes from the coaches than any PIL performer as he was a unanimous choice for all-city honors.

Franklin's 1956 basketball captain, Ernie Spargur, was on both the city and state second teams. Ernie displayed his outstanding ability all through the season and certainly showed first string all-city class.

All-American

Pictured above is Franklin's towering center, Bjarne Jensen. Bjarne led all PIL scorers, piling up 365 points, and was an all-city choice for the second year in a row. His outstanding play in the state tournament earned him a spot on the all-state team.

Although outsiders often are misled by our many activities, the typical student at Franklin finds that play is secondary to work.

We at Franklin are proud of our lofty standards, and justly so. With the graduation of each new senior class, we are much gratified by the rapidly increasing number of college scholarships and other special awards, proof of the industry of our students and the counsel of our teachers.

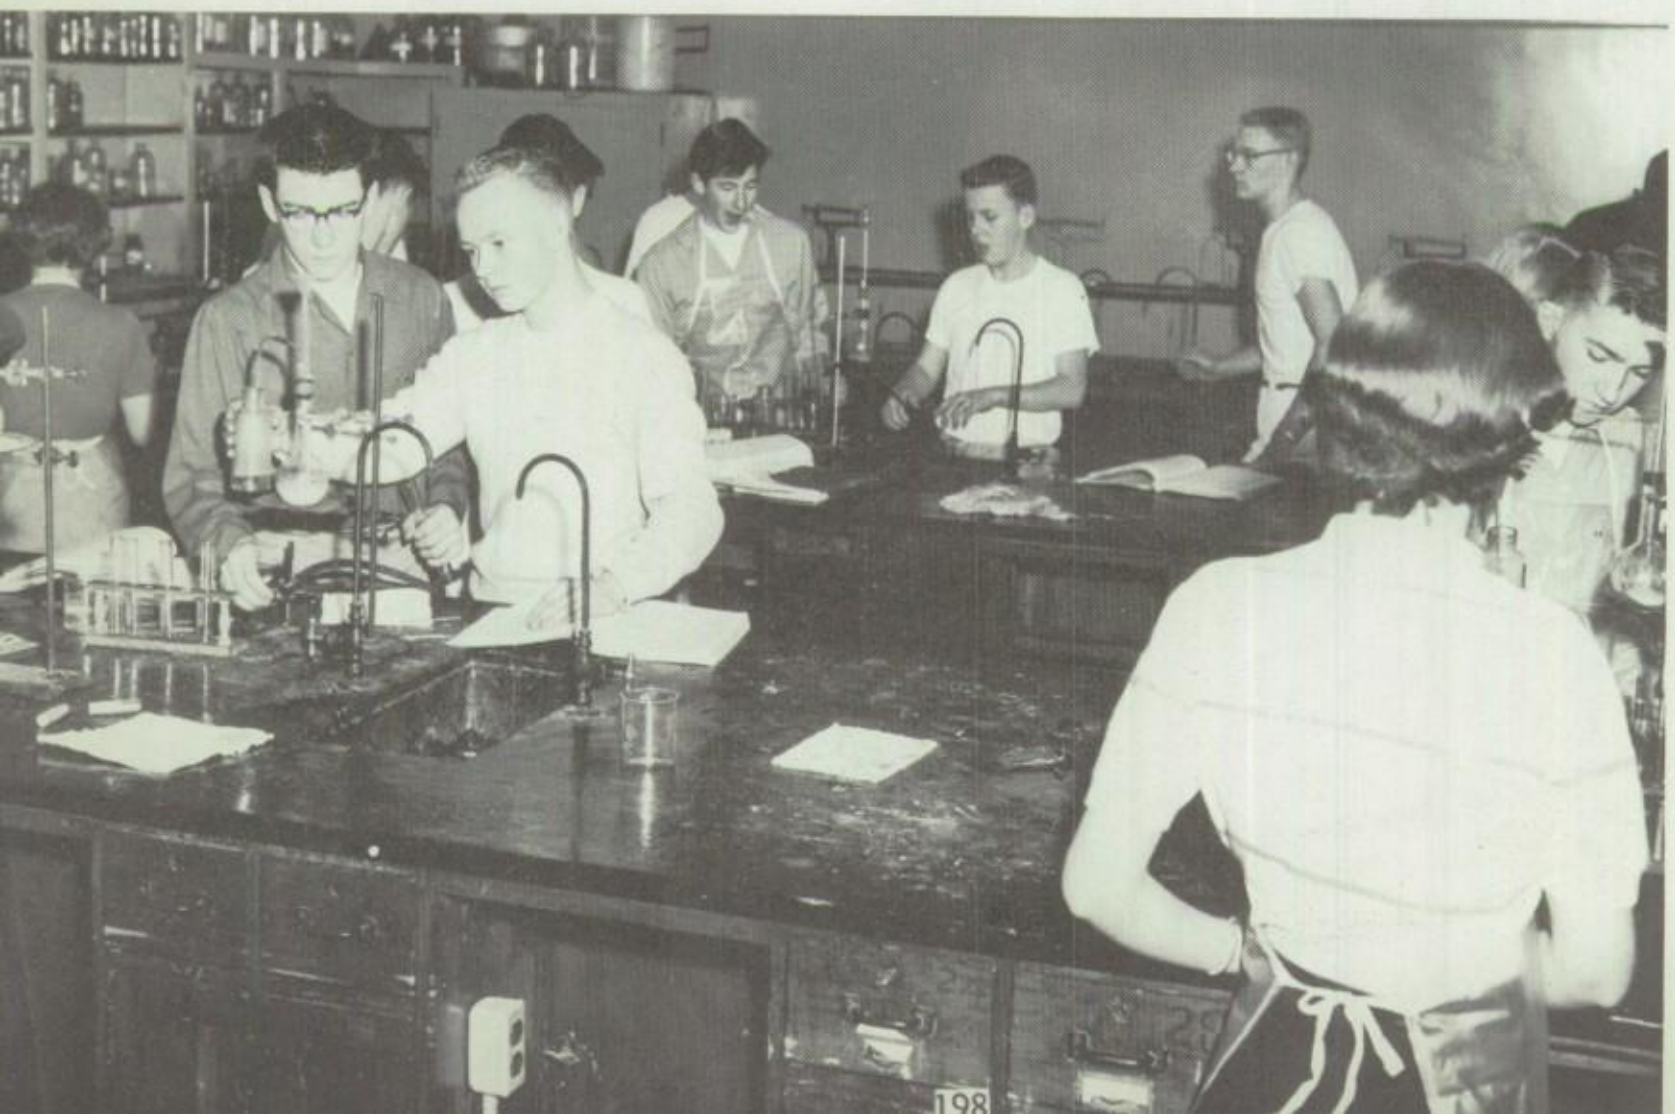
For our underclassmen, the way is often difficult and discouraging, but, encouraged by this example, they strive with renewed ambition toward their goal.

The high school years also include social opportunities essential to the development of personal character as well as outward personality; the ultimate significance of the graduating diploma, however, lies in the evidence of academic responsibility and initiative.

# *Student* LIFE

JUNE

Biology is an exciting study of plant and animal life. Students learn to consider all phases objectively.



Chemistry is a specialize course for those student planning to enter som field of science.

is appealing to many students.

Students of English

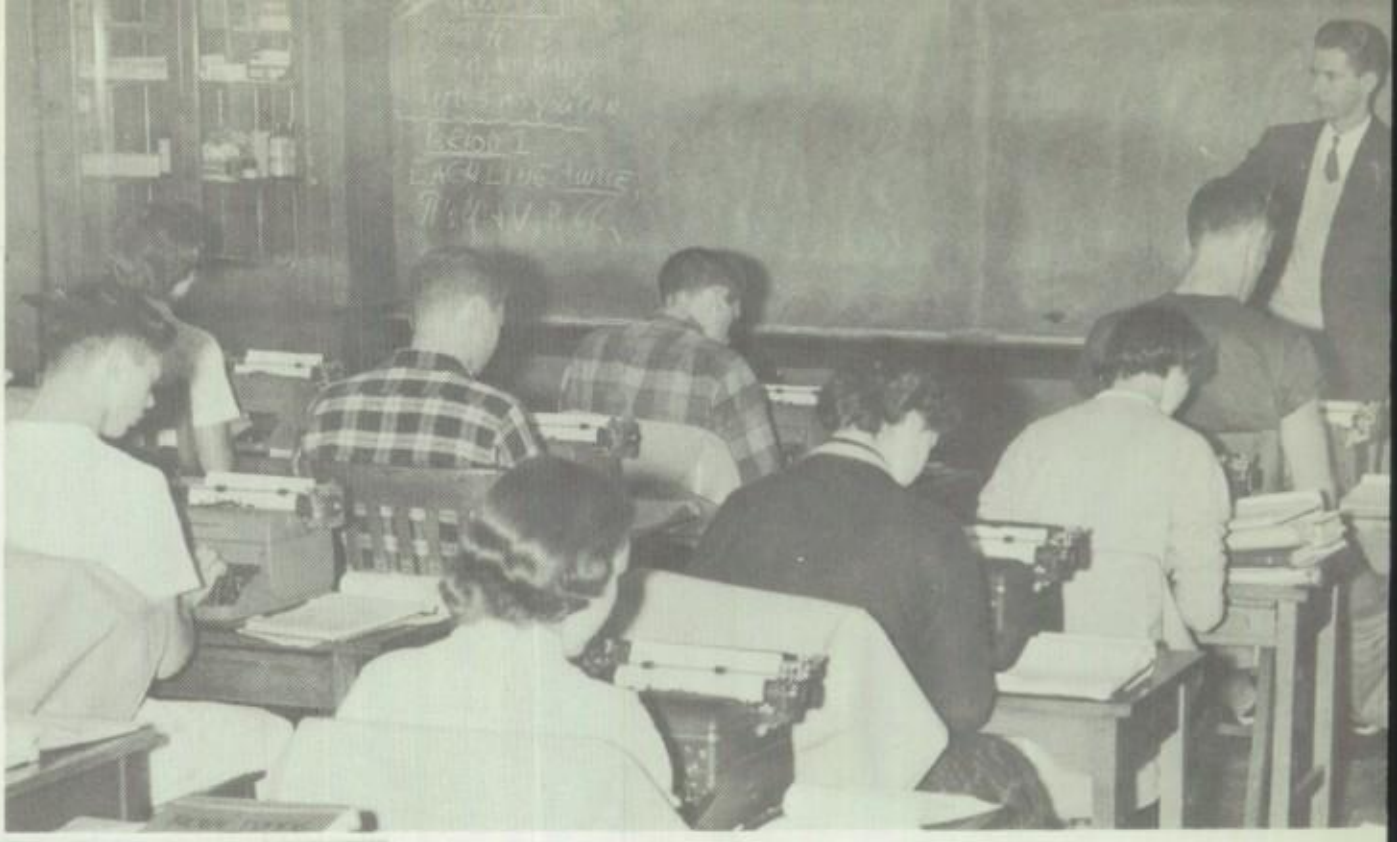
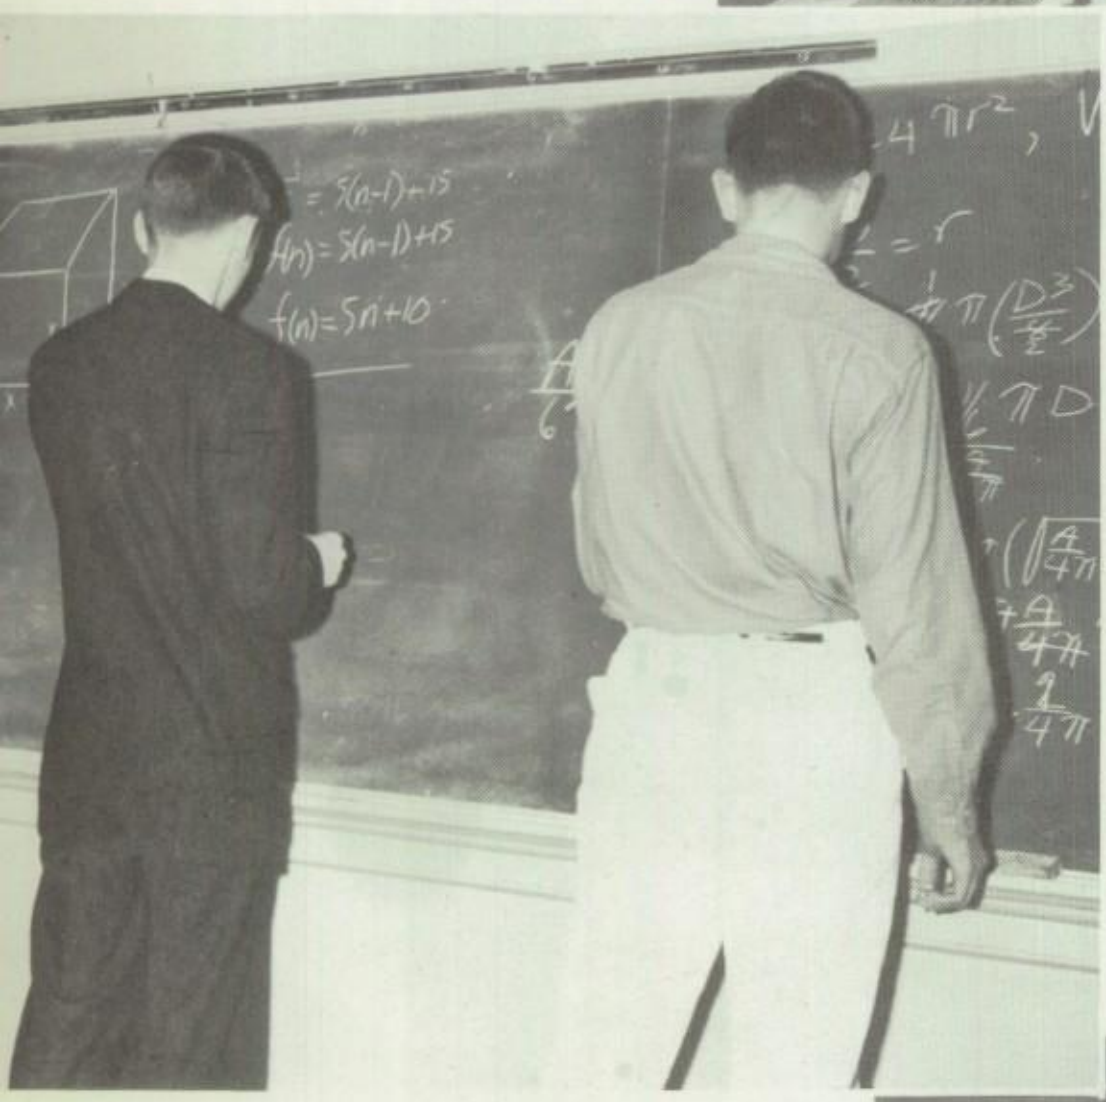
this industrious,
but generally, more so!
We are proud
of our fine English department.

These students are improving their speed and accuracy in typing. People are increasingly aware of the major role business plays in our lives.





Our mathematics department is superior. A knowledge of math, whether elementary or specialized, is useful in all phases of living.

Art is a popular course, entertaining and educational. Creative ability is developed according to basic concepts enhanced by imagination.

The boys enrolled in shop courses may one day take positions in mechanics and engineering, essential to our complex industrial civilization.

Homemaking is fun, encouraging proficiency in household economics and wisdom in handling many adult problems.

"All work and no play makes Jack a bored boy, if not a dull one . . ."

Because we realize the truth of this statement, we at Franklin include extracurricular activity as an important part of personality and character development. Though major emphasis is directed toward academic achievements, the cause of diversified activities is also promoted by faculty and student body alike. Our school days are brightened by a whirl of fun in the form of assemblies, plays, sports events, seasonal programs, and dances. But with particular pleasure we anticipate springtime—and the selection of Franklin's loveliest senior girls, our radiant Rose Festival Princess and the sparkling May Fete Court.

| | | | | |
|---|---|---|---|---|
| McMINNVILLE | 0 | 0 | 6 | 6—12 |
| FRANKLIN | 6 | 0 | 7 | 0—13 |

Franklin opened their 1955 football campaign by edging past the McMinnville Grizzlies 13-12, on the latter's field. Fred Gehring, Lou Mattioda, Jim Kuhn and Bob McGill showed outstanding performances in the Quakers' attack. Fred Gehring scored both touchdowns, once a twelve yard sneak, and the other a fifty-nine ramble off tackle. Joe Roth booted the deciding point.

# Democrats Edge Franklin Eleven

| | | | | |
|---|---|---|---|---|
| JEFFERSON | 0 | 7 | 0 | 0—7 |
| FRANKLIN | 0 | 6 | 0 | 0—6 |

Franklin's scoring possibilities were numerous, but they could not capitalize on them. The Quakers played one quarter of the game at Multnomah Stadium on "Jamboree Night" and the other three quarters on Jeff's home field. Fred Gehring scored the Quakers only touchdown, when he ran 59 yards after receiving a pass from quarterback Jim Kuhn.

| FRANKLIN | 0 | 0 | 7 | 0— 7 |

Roosevelt, while capitalizing on seven Quaker fumbles, scored with 1:32 left on the clock to preserve a 14-7 victory over a hardluck Franklin squad.

Franklin out played the Roughriders all through the game, while making seventeen first downs to Roosevelt's two.

Lou Mattioda is shown being brought to the turf by a Benson gridder. Neil Cawood, Quaker tackle, watches action.

## Quakers Top Benson

|---|---|---|---|---|
| Benson | 7 | 6 | 0 | 6—19 |
| Franklin | 7 | 9 | 6 | 6—28 |

The Quakers, after two straight losses to Jefferson and Roosevelt, hit the win column for the first time during league play by whipping the Benson Mechanics 28-19, on the Franklin field.

Bob McGill led the Quaker attack, scoring three clutch touchdowns and averaging 12.4 yards a carry. Outstanding performances were shown by other team members.

## Cardinals Win

| | | | | |
|---|---|---|---|---|
| Lincoln | 0 | 0 | 12 | 13—25 |
| Franklin | 0 | 7 | 0 | 0— 7 |

Lincoln, capitalizing on a strong ground attack, came storming back after a slow first half to hand the Franklin Quakers a 25-7 defeat on the Lincoln field.

Bob McGill scored the Quakers' lone touchdown of the night when he hit paydirt, climaxing a 49 yard drive. Joe Roth converted with a perfect placekick to make the count 7-0 at halftime.

Cleveland's Indians, while hitting paydirt in every quarter, held off a determined bunch of fighting Quakers to earn an exciting 27-21 victory in the Quaker bowl. The victory put Cleveland in third place in the PIL football standings.

Doug Daniels, Glen Hutton, and Wayne Seim scored TDs for the Quakers, two of which were aerial balls.

Franklin's fighting Quakers scored a first quarter TD, and then settled down to hold the Generals of Grant to exactly nothing to register their second league victory 6-0, in the Quaker Bowl.

Bob McGill climaxed an 89-yard drive late in the first frame when he went into paydirt from 15 yards out. The win put the Quakers in a sixth place tie with Roosevelt in the PIL football standings.

Will Stephens' spoiling Franklin football squad upset the state bound Washington Colonials, 18-0, on a rain-drenched, Franklin field, Friday, October 28. The game marked the close of the 50th PIL gridiron campaign, and brought back some glory which has been missing at Quakerville this past season.

Doug Daniels scored two TD's, and Bob McGill went into paydirt for one, to count for all of the scoring in the contest.

# QUAKERS END SEASON

With the win over the state-bound Washington Colonials, the Quakers closed their 1955 league campaign with a so-so three win and four loss record. Although the record is not impressive, many gridiron fans around Quakerville witnessed some good, hard-hitting football games. Rittled with costly injuries during the first three contests against McMinnville, Jefferson and Roosevelt which cost the services of fullback Bob McGill and halfbacks Fred Gehring and Glen Hutton, the previous highly-ranked Stephensmen were doomed to end up towards the frightful position—the cellar. But the Franklin came back with determination and never-say die play to whip Benson, Grant, and Washington. Bob McGill and Doug Daniels drew all-city honors with McGill getting the most votes from the coaches than any other performer in the city. Ron Maes, tackle, received a second team rating. Ron just missed being placed on the first team by a narrow margin.

## Lincoln Upsets Quakers Twice

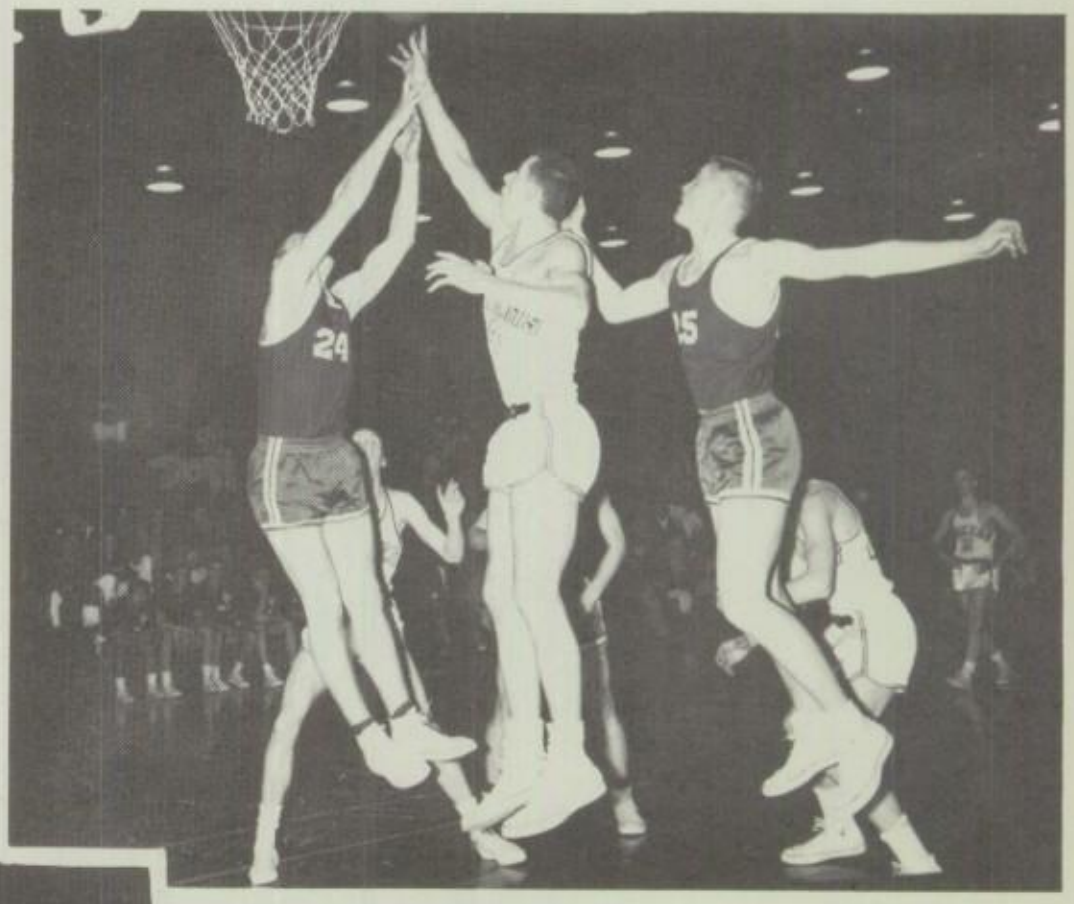
Lincoln's Cardinals, employing a slow but determined type of offense, upset the highly favored Franklin Quakers twice in league play by the scores of 57-51, and 47-45.

Franklin performers Ernie Spargur, who tallied 18 points, and Bjarne Jensen's 19 counters led all scorers in both tilts.

Ernie Spargur, Franklin forward, goes high in the air for an easy lay-in. Gene Costi, Washington forward, watches vainly.

## Preseason Record Outstanding

Mel Krause's basketball hopefuls, rated number one in the state, ended their preseason record. The Quakers lost to Medford, 58-53, in the sixth contest of the season for their only defeat of the young season. South Salem, North Salem, Central Catholic, Hillsboro, and Grants Pass, all tasted setbacks from the Quakers.



Bjarne Jensen is shown attempting a shot during the Lincoln fray. Lincoln upset Quakers twice in loop play.

## Krausemen Wallop Colonials Twice

Mel Krause's determined Franklin Quakers fought off a late Washington Colonial rally in the last quarter to preserve a 64-60 victory on the loser's court as the second round got under way. When the Cols invaded the Quaker floor during the second half of the season, the Franklinites registered a rousing 83-63 triumph as Bjarne Jensen "canned" 33 counters.

Scoring in the double figures in both contests for the Quakers were Ernie Spargur, who garnered a total of 18 in the second tilt, Bjarne Jensen, 51 in both games, and Jim Kuhn, who chalked up 18 in the first contest.

# Benjies Swamp Roughriders

Franklin's tall basketball quintet swamped the Roosevelt Roughriders twice in league play by 62-43, and 83-57 scores.

Mel Krause cleared the Franklin bench as every player tallied at least two points. Bjarne Jensen, while playing a little over a half a game, "pushed" in 28 counters, in the second contest to be the high scorer in both tilts.

Franklin's Bjarne Jensen is shown above attempting to chalk up two points during the Roosevelt fray. Jack Luhrs (22), Jim Kuhn (12), and Ernie Spargur (11) close in for Quakers.

Ernie Spargur, Quaker captain, goes up to push in two points. Ron Nakata (35) watches closely.

# Quakers Whip, Edge Benson

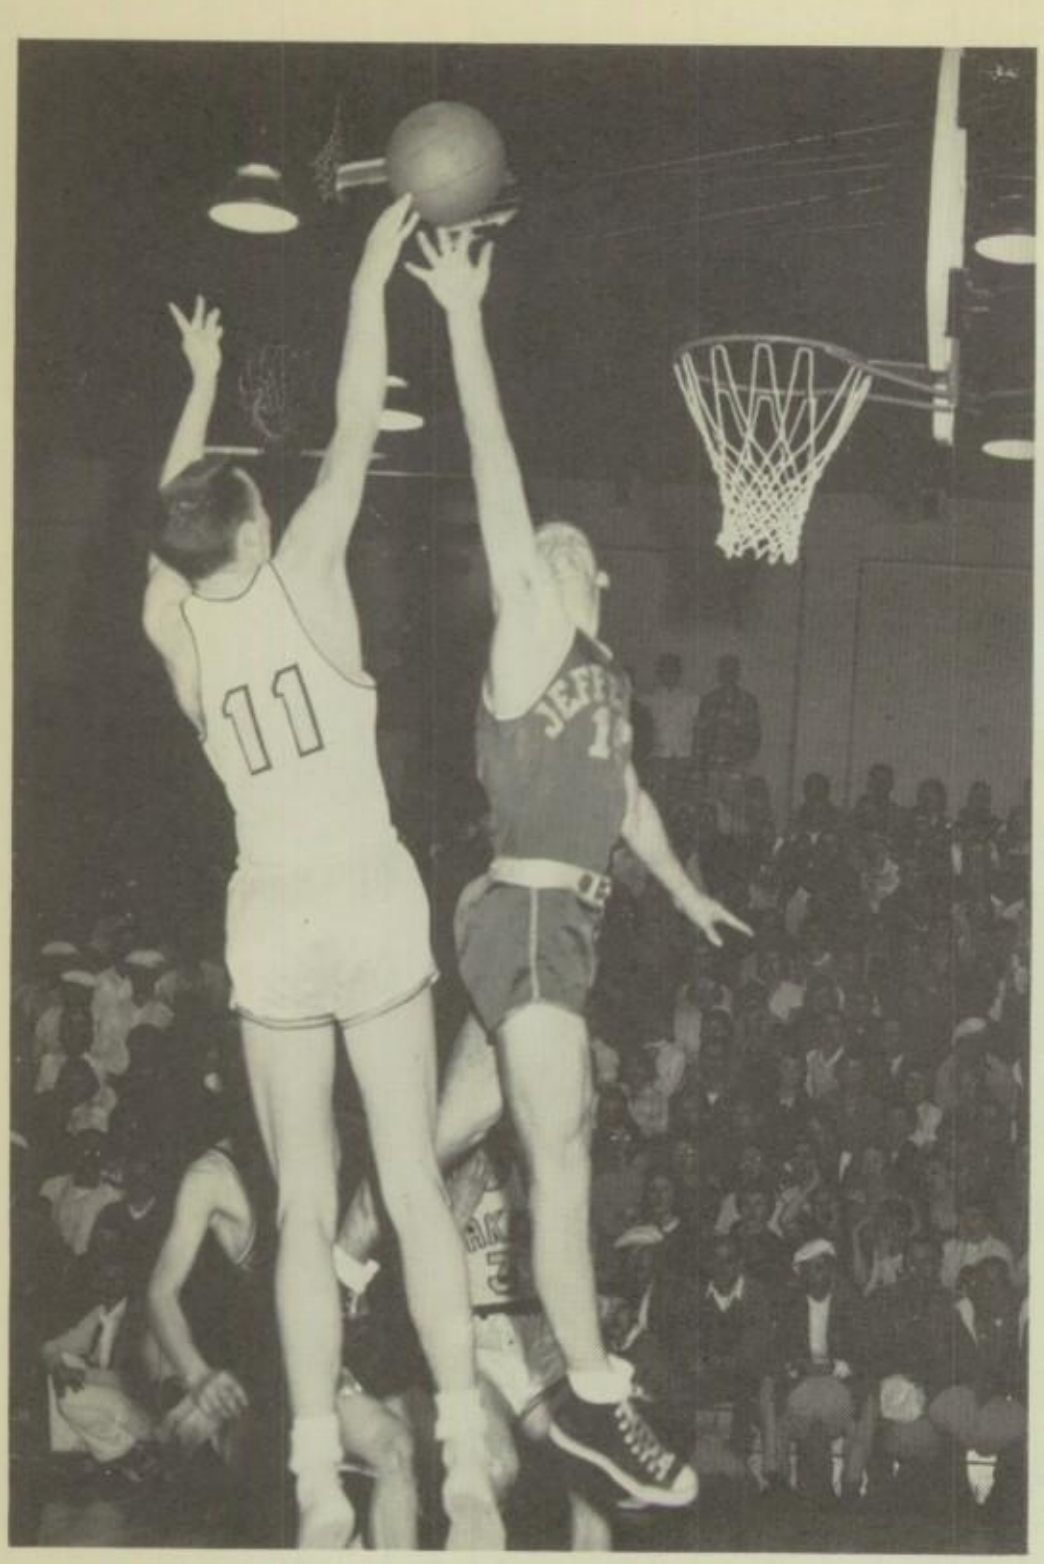
After trailing at half-time in both contests, the Franklin Quakers rallied with third quarter spurts to register 58-51 and 54-53 triumphs.

It was Bjarne Jensen again who took top honors in scoring for the Quakers, scoring 21 points in the first tilt, and 18 the second. The second round win moved the Franklin quintet into a second place tie with Lincoln.

# Franks Crush Jefferson

Franklin's determined Quakers edged the Jefferson Democrats, 60-59 in the first round play, and poured it on in the final round, blasting the Demos, 79-60 on the winner's floor.

Franklin center, Bjarne Jensen chalked up his highest point production of the campaign, pushing through 42 points in the second fray. Ernie Spargur, the Quaker cage-captain, also hit in the double figures in the second contest with 12 counters.



Quaker forward, Ernie Spargur (11), jumps high into the air for an important shot.

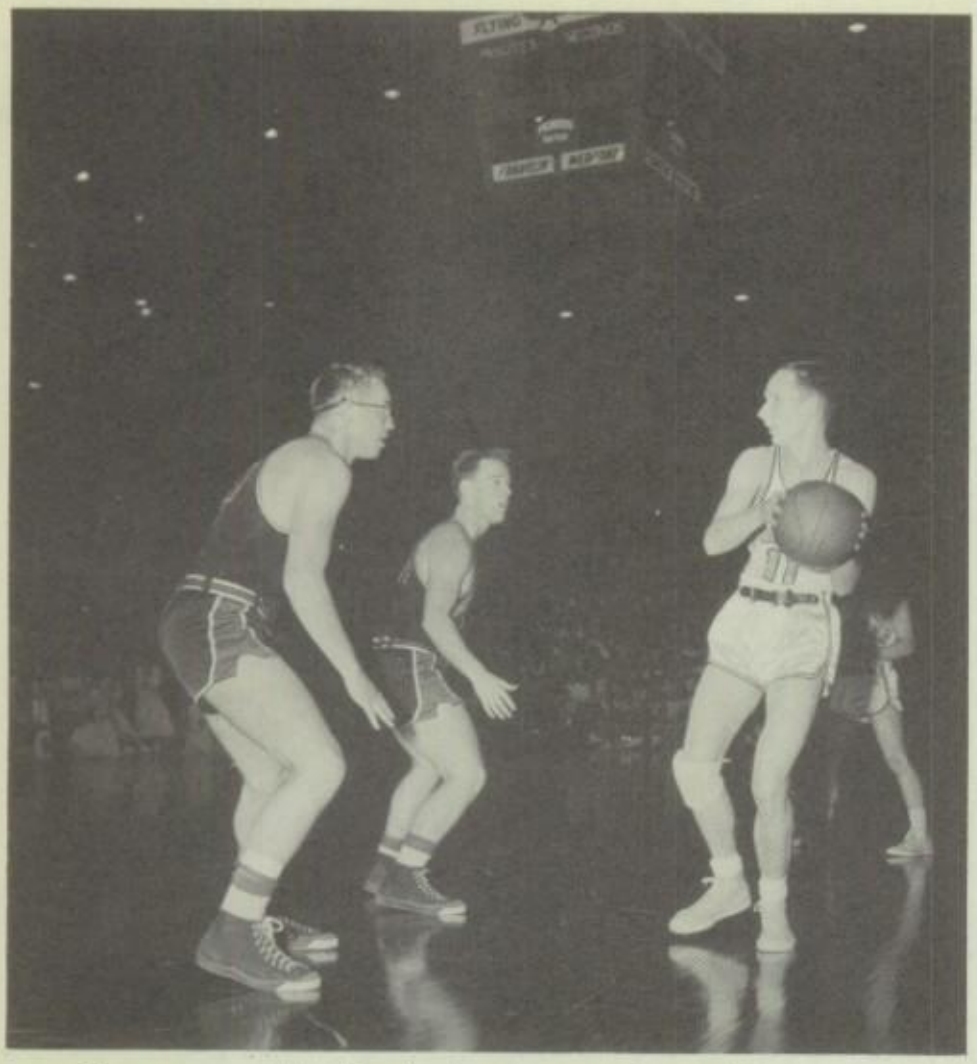
# State Champions 1956



Two eager Medford players stand ready for quick action as Franklin's Ernie Spargur looks for a teammate to pass to.

Winner and State Champs:

For the first time in 35 long years, these words rang in the excited ears of eager Franklin rooters as they saw Mel Krause's determined charges crush a good Medford Black Tornado team, 73-60, in the 1956 championship finals.

The Quakers rolled over South Salem, 65-62; Eugene 56-50 in an overtime thriller; Lincoln's Cardinals, 48-40; and finally the big one, Medford, 73-60. Big Bjarne Jensen led all tournament "point-getters" in piling up an impressive 96 counters.

Ernie Spargur was picked on the second string all-state team, while Bjarne Jensen received a first team rating. First five team finishers were: (1) Franklin, (2) Medford, (3) Lincoln, (4) Eugene, (5) Mac-Hi.

Ah—ah! Don't touch that ball! Jim Kuhn, Franklin forward, is shown picking up loose ball during championship play. Quakers won, 73-60.

A pleaful Franklin rally squad looks in agony during tense action in Eugene.

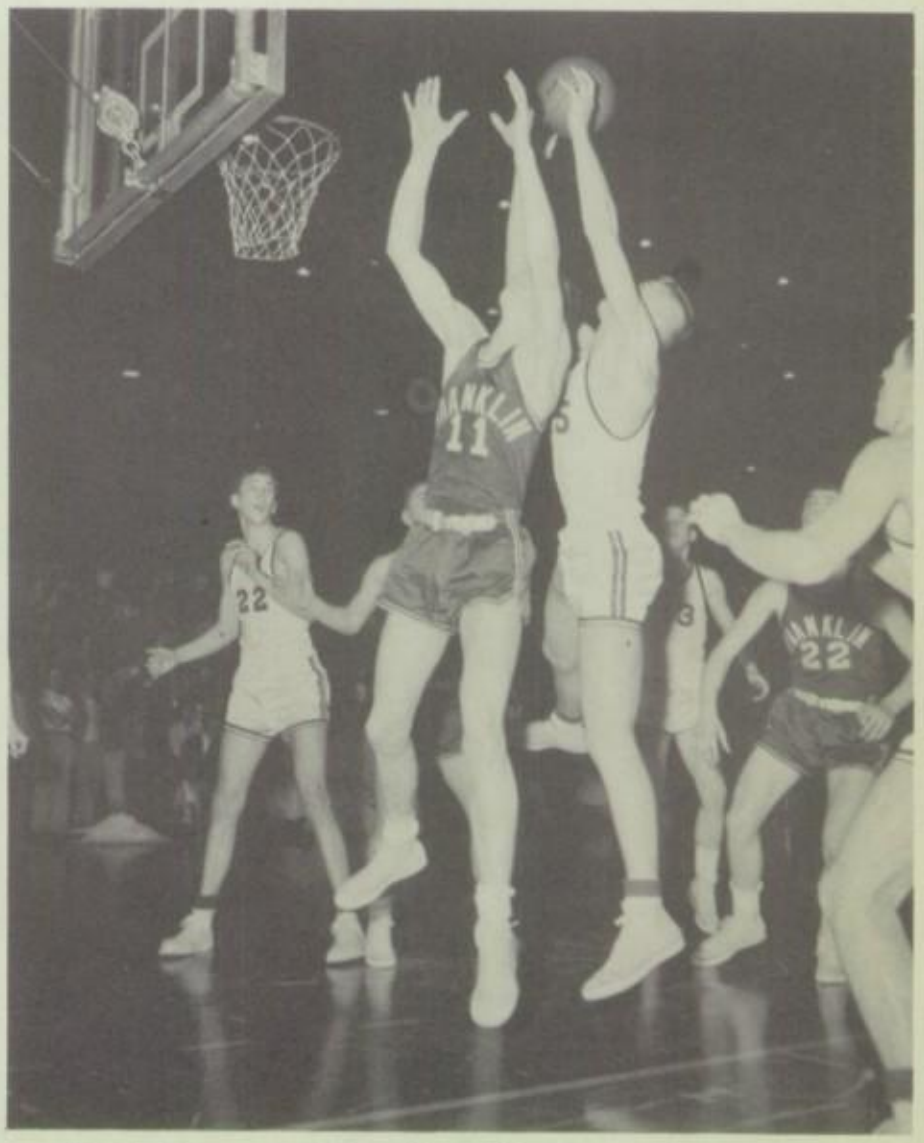
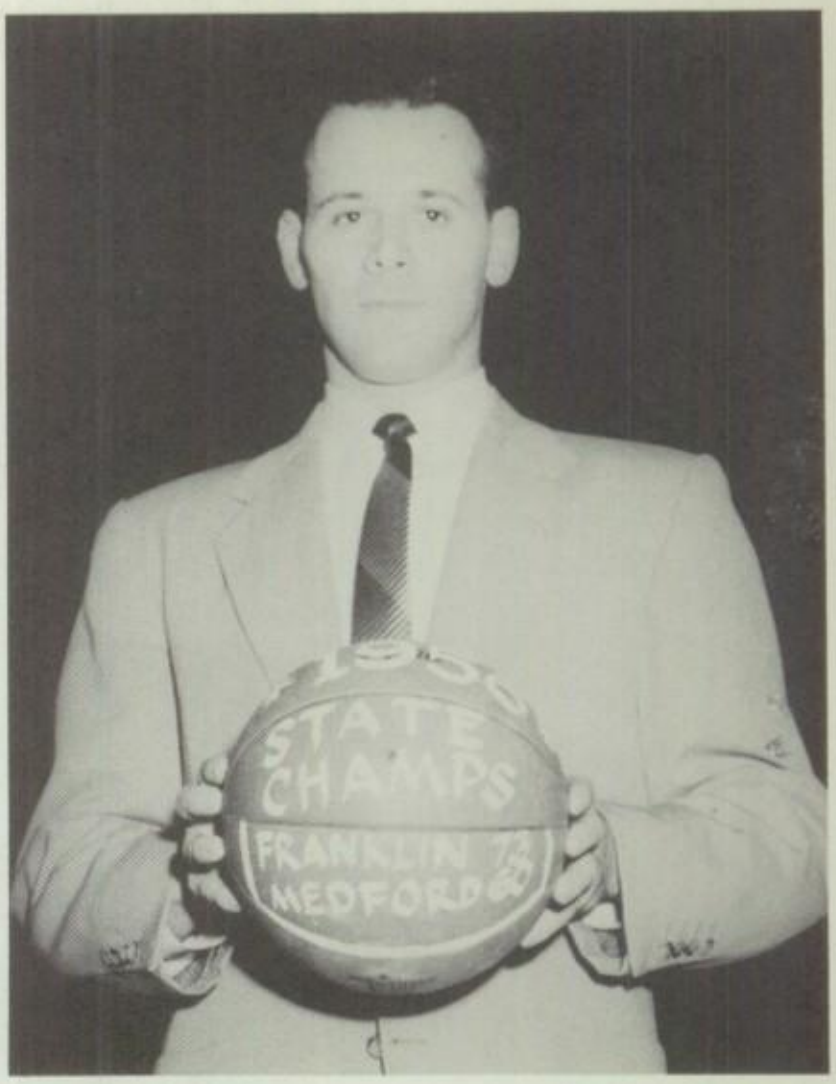
Franklin's Jim Kuhn drives in for two points against the Medford Black Tornado. Two Medford courtmen try, but without success, to stop Kuhn's lay-in.



Ernie Spargur (11), Franklin forward, goes up into the air while attempting to snare a rebound from a Lincoln cager. Jack Luhrs (22) stands ready for ball. Quakers led throughout the contest.

Shown above are rally squad members Mike Rogers, Janice Edwards and Mary Ellen Adams as they whoop it up in MacArthur court.



Mel Krause, right, is shown holding the game ball that was used in the final championship contest between Franklin and Medford.

For the second straight year Mel coached his Quakers into the annual affair. In two successful season under this young, inspiring guy, Franklin has come from a second division team to the highest honor a high school quintet can receive.

# Quakers Whip Grant, Share Lead

Franklin joined Jefferson as co-champions of the Portland Interscholastic League by soundly whipping the Grant Generals, 71-56, on the loser's floor. The Generals took the first round contest, 54-47.

Bjarne Jensen was again high-point man for the Quakers in the second fray, as he tallied 27 points. Grant's little 5'7" guard, Jack Riley, took top honors though, "canning" 30 counters.

Cleveland's Hugh Springer is shown trying to stop Glen Hutton shot. Quakers won, 83-66.

Franklin center, Bjarne Jensen, "cans" two points during the first Grant game.

# Jensen Shines Against Indians

Franklin's 6'9" center, Bjarne Jensen, hit the hoop for a total of 79 points in two contests against the hapless Cleveland Indians, as he led the Quakers to 83-66 and 77-62 triumphs.

Hugh Springer, Cleveland's main scoring threat, "potted" 20 tallies in the second tilt for high man on the loser's side of the ledger. Jensen's 42 point outburst in the second game matched his season-high point production which he set four days earlier against Jefferson.

Up in the air with a yell goes Franklin Rally King, Dick Leonetti.

Dear Seniors:

Thank you for having selected us as your official photographer. We have endeavored to justify your faith in us by doing our best to please you. We hope that you like us as well as we liked working for you.

In the future, when you have need for good photographs taken by a professional photographer, whether it be a portrait, special pictures of a special event, a family group, formals or candids when you are married, feel free to tell us your requirements. We have an especially fine service on wedding portraits.

We shall look forward to seeing you again when you need photographs taken by a proffessional photographer.

Let us again express our appreciation for the fine cooperation of the entire student body. It has made our work with you very pleasant.

Dear Janice,
I've had really
been awfully busy
enjoyed this year. I think
the whole 5th period class
very much. Lots of luck
Diddums

Hi Dolly; had lots
of fun in speech class and
maybe we'll have some
together next year. Have some
summer and the best of luck
happiness always.

Love
Dorothy Hermis

Janice

Dear Cecilia, it would
seem I'm not to
be. Perhaps you
are destined for
greater things.
Best wishes
and have a
wonderful summer.

Love,
Christie
